Hey yo, told you before  
Tell you when I find a decoy  
Sittin' in the water  
With your hopes up hgh  
Have you takin' a nosedive hard, boy

Hey yo, told you so  
They'll be aimin' at you

You know I told you so  
But I didn't say it wouldn't get boring  
From the...to the...  
To the buckaroos  
Hopin' that you'll choose the real thing  
Dance on, don't you know  
We got somethin' to do

Hey yo, anywhere it goes  
It's high time for a detour  
Deep, deep water pull you down  
Time to get your feet on the ground

Hey yo, anywhere it goes  
It's high time for a detour  
Hey yo, anywhere it goes  
It's high time for a detour

Hey, hey yo Hey, hey, hey yo Hey yo
