If I could only be
The queen of popularity
Things would just com to me
So easily
What I would do...
What I could do...

If I could only be
Miss cogeniality
No one could stand to be
Away from me
What I would do...
What I could do...

I could do anything
If I were you
I would have everything
If I were you

What I would do...
What I could do...

I could do anything
If I were you
I would have everything If I were you
