I often wonder  
Is it so  
All I am holding  
Wants leet go  
How could I manage  
I don't know

I often question  
Is it so  
Life's contradictions  
Tend to grow  
Spawning the choices  
And the woe

But, still somehow thrives this love  
Which I pray I'm worthy of  
Still somehow thrives this love

I often wonder  
Is it so  
The lessonsof patience  
Are learned slow  
And earning of labour  
May never know

But, still somehow thrives this love  
Which I pray I'm aorthy of  
Still somehow thrives this love
