Molly juice, I'm off molly juice.

I've been smoking this weed, getting drunk, yeah,
nigger faded,

Everybody the king return, so I went back to how I
made it.

Mr molly with the drink, pour it in you,
Try the weed with the bitch to go both ways,
I've gotta lead them on like the mopeds.

I like the weed and girl head.

Molly gummy, feeling jolly like a ransom,
If you're feeling bad I just might snap you.

I can't feel my face, mixing molly with the drink, no
chase.

Look, I can't feel my face, mixing molly with the drink,
no chase.

I'm off weed and molly juice,
I'm off weed and molly juice.

Molly juice, molly juice, molly juice.

I'm off weed and molly,
Kush buzz green, no brown like Bobby,
Bad bitch swim again, that shall get naughty,
If you need a trip, Poaw-Bing like Rocky.
Fifty niggers in the club, all dumb, though,
I'm chilling, I don't care about no hoe.
Your bad ass break is worth for this,
This is how I go, mixing molly with the piff.

Smoke weed, mixing molly with the drink,
Get a bitch damn clerr like a prank,
Smoke weed, mixing molly with the drink.
Get a bitch damn clerr like a prank.

I'm off weed and molly juice,
I'm off weed and molly juice,
I'm off weed and molly juice,
I'm off weed and molly juice.

Molly juice, molly juice,
Molly juice, molly juice.

I'm off weed and molly juice.

Molly juice
