Yesterday it seemed  
Life was just a dream  
A bad dream  
You watch them all day long  
Feel you don't belong but you're wrong  
Life is good today  
Had a pretty boy look your way  
Don't worry Adelaide  
Life is good today  
Had a pretty boy look your way  
Don't worry Adelaide  
Adelaide  
See the other girl  
Strand a perfect pearl  
And one day the sun will shine upon your face and you  
will find  
Someone beautiful  
Life is good today  
Had a pretty boy look your way  
Don't worry Adelaide  
Life is good today  
Had a pretty boy look your way  
Don't worry Adelaide  
Adelaide  
And one day the sun will shine upon your face and you  
will find  
You're beautiful  
Life is good today  
Had a pretty boy look your way  
Don't worry Adelaide  
Life is good today  
Had a pretty boy look your way  
Don't worry Adelaide  
Adelaide
