You lift me up  
higher and higher  
then it's downhill from here  
you run me down  
deep underground

to the point where I just can't remember  
but then you turn me on

you  
lift me up  
you  
run me down  
you  
turn me on

you lift me up  
higher and higher  
and I don't ever want you to stop  
you're easily the only one  
but for the time being I'm not sure what's going on

you  
lift me up  
you  
run me down  
you  
turn me on
