Big Muddy Mississippi, I'm coming back, back home to  
you  
I'm comin' rockin' and a-rollin', just the way you do  
Big Muddy, you ole muddy river  
Don't you know, you know you got it made  
Don't have to worry 'bout eatin' or the landlord gettin'  
paid

I'm gonna rock along with you and see the finest  
greens  
From old St. Louis down to New Orleans  
I'm forgettin' about my troubles, I'm leavin' 'em all  
behind  
I'm gonna rock 'n' roll my baby till I lose my mind  
Big Muddy, I'm comin' home to you  
I'm comin' rockin' and a-rollin', just the way you do  
I'm gonna rock through the sand  
I'm gonna roll through the mud  
I'm cover everything just like the Mississippi flood  
Big Muddy, I'm gonna stay with you  
And keep a-rockin' and a rollin', just the way you do

And when my rockin' days are over, don't let 'em burry  
me  
Just throw me in the river and let me a-roll out to sea  
Big Muddy, I'm comin' home to you  
I'm comin' rockin' and a-rollin', just the way you do  
I'm comin' rockin' and a-rollin', just the way you do  
I'm comin' home rockin', just the way you do
