I got that blue swinging mama, man I'm wild about now
I got a blue swinging mama, man I'm wild about now
Well, hang on little mama, don't let your daddy down
Well, I got that blue swinging mama, man I'm wild
about now
I got that blue swinging mama, man I'm wild about now
Well, hang on little mama, don't let your daddy down

Well, I love my little mama, although she done wrong
Well, I love my little mama, although she done wrong
Well, hang on little mama, well your daddy's gone
Well, I got that blue swinging mama, man I'm wild
about now
I got that blue swinging mama, man I'm wild about now
Well, hang on little mama, you been running 'round

Well, I love my little mama, 'though she done wrong
Well, I love my little mama, don't you leave me alone
Well, hang on little mama, you know you done me
wrong
Well, I got that blue swinging mama, man I'm wild
about now
I got a blue swinging mama, man I'm wild about now
Well, hang on little mama, don't let your daddy down
