Excuse me girl  
I know its a bit embarrassing  
but I just noticed some tan lines..  
On your shirt!

See I reckon you're about an 8 or a 9  
Maybe even 9 and a half in four beers time  
That blue top shop top you've got on IS nice  
Bit too much fake tan though - but yeah you score high  
But theres just one little thing that really really  
Really really annoying me about you you see  
Yeah yeah like I said you are really fit  
But my gosh don't you just know it

[Chorus]  
I'm not trying to pull you  
Even though I would like to  
I think you are really fit  
You're fit but my gosh don't you know it

So when I looked at you standing there with your hoard  
I was waiting in the que looking at the board  
Wondering whether to have a Burger or chips  
Or what the shrapnel in my back pocket could afford  
When I noticed out the corner of my eye  
Looking toward my direction  
Your eyes locked onto my course  
I couldnt concentrate on what I wanted to order  
Which cost me my place in the queue I waited for YEAH

[Chorus]

Whoa! Leave it out  
Are you smoking something?  
Leave it out  
Mike just leave it just leave it  
We cannot have that behaviour in this establishment  
S'not worth it mike, just leave it  
Don't Touch Me, S'not Worth It  
Don't Touch Me, D, Look I'm Alright Don't Touch me

For a while there I was thinkin - yeah but what if?  
Picturin' myself pullin with bare white hot wit  
Snarin you as you were standing there opposite  
Whether or not you knew it I swear you didnt tick  
And when that bloke in the white behind us lot queuing  
Was clockin onto you too yeah I had to admit  
That yeah yeah you are fit  
And yeah I do want it  
But I stop sharkin' for a minute to get chips and drinks

[Chorus]

Oy, just as you started to make your big advance  
With the milkshake and that little doughnut in hand  
I was like nah, I can't, even though you look grand  
But you look sharp there smilin hard suggesting and  
Gleaming away with your hearty hearty lookin tan  
But I admit the next bit was spanner to my plan  
You walked towards my path but just brushed right past  
And into the arms of that white shirted man

[Chorus]

Oh what do I give .. I've got a girlfirend anyway  
(whoa, we've all had a drink mate)  
We're all a bit drunk, yeah we've had a few fair play  
I got this stella I bombed from that last cafe  
This nights not even begun, yes yes oh yay  
I did fancy you a bit though yeah I must say  
I would rather I hadnt mugged myself on display  
But this is just another case of female stopping play  
On otherwise a total result of a holiday

[Chorus]
