I'm about to do something crazy, you'll regret this, I  
swear  
This one time I really needed you to head over mine  
where  
I was throwing up all morning, it was all in my hair  
Then because I was so dizzy I almost fell down the  
stairs  
Like you always do, you know, you just don't fucking  
care

[Chorus]  
Go, get out of my house, please  
Actually give me back my keys, but  
I'll be proper angry, if  
You're not back later on your knees

Look  
Come on, calm down, it wasn't all totally like that  
You're over-reacting just a bit, maybe we can sit down  
and chat  
It's just, you know, I had stuff to do, you know, this and  
that  
Maybe it wasn't so important as you being in the sack  
But I had to sort out my pills man; I needed to stock up  
my stash  
I couldn't do it any other day, I had to do it then, quick  
snap  
And you didn't want me there last Sat., so I left you on  
your jack  
And this Saturday I thought it was the same deal as last  
Sat. at your gaff

[Chorus]

You don't care about my broken TV  
I sit on my sofa all day smoking weed  
I never phoned that bloke from the TV company  
So please don't be like this, please, please, please

Actually now I think about it, what am I guilty about?  
I felt like I was in the wrong, I felt like I was the lout

Oy, this is what happened last Saturday now, I think I  
remember now  
You were ill last Saturday and two weeks before that  
little bout  
You know I need that medication for my epilepsy now  
Or I run the risk of having a fit, you know I can't go  
without  
So when you being in bed is because last night you got  
pissed  
It's you that's being selfish, it's you that don't give a  
shit

I'm gone, I'll get out your house, then  
I'll never, be back again, but  
I'll still be 'cieving when, you  
Text me to make up and be friends

[ad libs to end]
