I'm not a loser,
but I lost my heart (ooh my love)
I'm not a winner,
but you broke apart (ooh my love)
Why do fools just fall in love,
I can't explain
to youâ€¦.

Alone again

Going with pleasure when we have much pain
Some days are Diamonds and some days we win
But I will life for love again, again
Don't let it end

Alone again

Sometimes it's hard for me to understand
Some days are Diamonds and some days it rains
But baby give us just a second Chance,
Don't let it end

I'm just a prisoner
of your secret love (ooh my love)
I'm learning about love
I can't get enough (ooh my love)
I'm a fool, to fall in love,
but babe I still love youuuuâ€¦

Alone again

Go ahead with pleasure when we have much Pain.
Some days are Diamonds and some days we win,
but I will life for love again again,
Don't let it end

Alone again

Sometimes it's hard for me to understand
Some days are Diamonds and some days it rains

But baby give us just a second Chance

Don't let it end

Don't let it end

Don't let it end

Don't let it end

Alone again

Sometimes it's hard for me to understand

Some days are Diamonds and some days it rains

But baby give us just a second Chance

Don't let it end
