We'll do it all
Everything
On our own

We don't need
Anything
Or anyone

If I lay here
If I just lay here
Would you lay with me
And just forget the world?

I don't quite know
How to say
How I feel

Those three words
Are said too much
They're not enough

If I lay here
If I just lay here
Would you lay with me
And just forget the world?

Forget what we're told
Before we get too old
Show me a garden
That's bursting into life

Let's waste time
Chasing cars
Around our heads

I need your grace
To remind me
To find my own

If I lay here
If I just lay here
Would you lay with me

And just forget the world?

Forget what we're told
Before we get too old
Show me a garden
That's bursting into life

All that I am
All that I ever was
Is here
In your perfect eyes
They're all I can see

I don't know where
Confused about how as well
Just know that these things
Will never change for us at all

If I lay here
If I just lay here
Would you lay with me
And just forget the world?
