I never thought, a feeling like this
would rise upon me like a storm.
And blow me away, to a different place,
where I've never been before.

Now when I'm watching you,
I could stay here forever.

Mm, it's beautiful.
It's so beautiful.
I'm two feet above the ground.
Mm, it's beautiful.
Yeah, it's beautiful.
And nothing can bring me down.
Because i'm living a dream, that you've given me.
I'm heading for something new.
It's so beautiful...to be with you.

When I was lost, you got me through.
Oh, baby you showed me the way.
There was no doubt, I knew we were right.
This feeling grows stronger today.

Now when I'm watching you,
I could stay here forever.

Mm, it's beautiful.
It's so beautiful.
I'm two feet above the ground.
Oh, it's beautiful.
It's so beautiful.
And nothing can bring me down.
Because i'm living a dream, that you've given me.
I'm heading for something new.
It's beautiful...

I won't let you down,
I will always be around.
'Cause you bring out the best in me.
And you make me believe.
Oh, yeah, it's beautiful.

Because I'm living a dream,
that you've given me.
It's beautiful.
I'm two feet above the ground.
It's beautiful.
And nothing can bring me down.
Because i'm living a dream, that you've given me.
I'm heading for something new.
It's so beautiful...to be with you.
