I close both locks below the window  
I close both blinds and turn away  
Sometimes solutions aren't so simple  
Sometimes goodbye's the only way

And the sun will set for you  
The sun will set for you  
And the shadow of the day  
Will embrace the world in gray  
And the sun will set for you

In cards and flowers on your window  
Your friends all plead for you to stay  
Sometimes beginnings aren't so simple  
Sometimes goodbye's the only way

And the sun will set for you  
The sun will set for you  
And the shadow of the day  
Will embrace the world in gray  
And the sun will set for you

And the shadow of the day  
Will embrace the world in gray  
And the sun will set for you

And the shadow of the day  
Will embrace the world in gray  
And the sun will set for you
