Wake up kids  
We've got the dreamers disease  
Age fourteen  
We've got you down on your knees  
So polite  
We're busy still saying please

Frenemies  
Who when you're down  
Ain't your friend  
Every night  
We smash their Mercedes-Benz  
First we run  
And then we laugh till we cry

But when the night is falling  
And you cannot find the light  
(Light)  
If you feel  
Your dream is dying  
Hold tight

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world  
Is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

I'm coming home baby  
You're tops  
Give to me now

Four a.m.  
We ran a miracle mile  
We're flat broke but  
Hey, we do it in style  
The bad rich

God's flying  
In for your trial

But when the night is falling  
You cannot find a friend  
(Friend)  
If you feel your dream  
Is breaking  
Cause then  
You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world  
Is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

This whole damn world  
Can fall apart  
You'll be ok  
Follow your heart  
You're in harms way  
I'm right behind  
Now say you're mine

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world  
Is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give  
Don't let go  
I fell the music in you

Fly high  
What's real can't die  
You only get what you give  
You're gonna get what you give  
Don't give up  
Just don't be afraid to live

Health insurance  
Rip off lying  
Fda big bankers buying

Fake computer crashes dining  
Cloning  
While they're multiplying  
Fashion shoots  
(Don't give up)  
With Beck and Hanson  
Courtney Love  
And Marilyn Manson  
You're all fakes  
Run to your mansions  
Come around  
We'll kick your asses

Don't let go  
One dance left  
Don't give up  
Can't forget  
Don't give up  
One dance left
