(1)

Break free
And rock
To the rhythm
Break free
Can't yu feel it
Within
Break free
Swallow yu pride
Break free
Ain't it good
To be alive

Chorus:

Laa la la
When yu rise
In the morning
Laa la la Laa la la
Give thanks
Yu face a bran' new day
Laa la la
Give some praise
In the morning
Don't let negative vibrations
Jus', clog up yu way-ay

(2)

Break free
Like a bamboo
In the wind
Break free
And a new day
Will begin

Break free
Swallow yu pride
Break free
Ain't it good
To be alive

Chorus:

Laa la la
When yu rise
In the morning
Laa la la
Laa la la
Yu face
A bran' new day
Laa la la
Sing some praise
In the morning
Don't let illusions
Black up yu way
Break free
Break free
Break free
Break free
Laa la la
Isn't it good
Yu face a bran' new day

Chorus:
Laa la la
Let's all give praise
In the morning
Don't let negative vibrations
Clog up yu way-ay

Break free
Like a bamboo
In the wind
Break free
A new day
Will begin

Break free
Swallow yu pride
Break free
Jah love
Is wonderfull
Isn't it good
To be alive
Break free
