(1)

I've been searching
To find
Some peace of mind
I've been knocking
To open
Doors of liberty
I've been combing
My thoughts
Fresh up my meditation
Chorus:

Solution
Solution
Tied up in confusion
Before I belong to you
Let me belong to me
Before I belong to you
Let me belong to me

(2)

I've weathered
The storms
Defused illusions
I've looked
In concrete eyes
And seen them hearts
Of steel
I've seen them bought
And sold
With silver
Hearts of gold
Chorus: Rep.

(3)

They lurk
In the dark
Await tomorrow
I've been
Asking my soul
These mystries
To unfold
I've been walking

This earth
Treading down divisions
Chorus: Rep.
Solo:-
Chorus: Rep.fade
