Chorus:

I've been waiting inside

I've been waiting inside

(1)

Look thru' my window

A see the rain keep falling

A stood in wonder

My poor heart keep calling

The pouring rain

Wont wash my tears away

Life will never give a man

More than he can bare

Chorus: rep.

2)

The birds and willows

Are singing on the outside

But it sounds like an echo

Stirring me on the inside

Life without love

Is jus' one hopeless jail

Knowing myself

Has kept me holding on

Chorus: Rep.

(3)

What could I do

When yu were leaving

It hurts so bad

Yu did look blue So, to avoid

Getting into a braul with you

I held my heart

Within my hands, an'

Uuh-wu-uu-yee-yee!

Chorus: Rep.

Solo:-

(4)

What happen, to  
The love we knew  
Didn't yu promised  
To be true, true, true  
Did that smiling stranger  
Take your heart away  
Real, true feelings  
Are not for words to say

Chorus: Rep.

Ea-e  
Waiting, waiting, waiting  
How long must a man  
Keep waiting  
Waiting, waiting, waiting  
Inside  
Woo-oo-oo-o-o-oo-o inside!  
Inside! Inside!  
Patient man ride donkey!  
Come let us skank-ae!  
Inside!
