Leave your cares behind

These are the good times

Good times

These are the good times

Our new state of mind

These are the good times

Happy days are here again

The time is right

For makin' friends

Let's get together

How 'bout a quarter to ten

Song text taken from stlyrics.com

Come tomorrow

Let's all do it again

Boys will be boys

Better let them have their toys

Girls will be girls

Cute pony tails and curls

Must put an end

To this stress and strife

I think I want to live the sporting life

Good times

These are the good times

Leave your cares behind

These are the good times

Good times

These are the good times

Our new state of mind

These are the good times

A rumor has it that

It's getting late

Time marches on

Just can't wait

The clock keeps turning

Why hesitate

You silly fool

You can't change your fate

Let's cut a rug

A little jive and jitterbug

We want the best

We won't settle for less

Don't be a drag

Participate

Clams on the half shell

And roller-skates

Roller-skates

Good times

These are the good times

Leave your cares behind

These are the good times

Good times

These are the good times

Our new state of mind

These are the good times
