you're hypnotic, you charm all the snakes

so hypnotic, on just half what it takes

so hypnotic, as you float down the Nile

hypnotic Cleopatra with a crocodile smile

yeah, yeah, yeah, yeah

you're so hypnotic, when you shuffle the facts

so hypnotic, when you...

you're hypnotic, when you tangle the web

hypnotic conversations float around in my head

yeah, yeah, yeah, yeah

hey, hey, when I count to three

I'm going to turn this trance around

and you'll be praying for me

hey, hey, I'm turning you down

you're the world on my finger

now I'll spin you around

around, around, around, around, around, around,
around,

around, around, around, around, around, around,
around,

around, around

you're hypnotic, in the tongues that you speak

so hypnotic, you inherit the meek

you're so hypnotic, you try to make me believe

hypnotic visions that i'm not really seeing

yeah, yeah, yeah, yeah

yeah, yeah, yeah, yeah
