This old life seemed much too long
with little point in going on.
I couldn't think of what to say

words just vanished in the haze.
I was feeling cold and tired
yeah
kinda sad and uninspired.
When it almost seemed too much I see your face
And sense the grace and feel the magic in your touch.
Oh
lay your hands
lay your hands on me
oh
lay your hands

Oh
lay your hands
oh
lay your hands on me.
Back and forth across the sea I have chased so many
dreams

But I have never felt the grace
that I have felt in your embrace.
Oh
I was tired and I was cold
yeah

with a hunger in my soul.
When it almost seemed too much I see your face
And sense the grace and feel the magic of your touch.

Oh
lay your hands
oh
lay your hands on me

oh
lay your hands

...

Now you made me feel so good

yeah

like I never ever thought I wol
You know you make me feel so strong
And now our laughter just goes on and on.
So come on lay your hands on me
'Cause close to you is where I really wanna be.
And if it ever gets too much I see your face
And sense the grace and feel the magic in our touch.
Oh
lay your hands
lay your hands on me
oh
lay your hands
...
Oh
lay your hands
lay your hands on me
oh
lay your hands
...
Oh
lay your hands
lay your hands on me
oh
lay your hands
...
