I hear you laughing in some other room
and it makes me feel locked out.
You say my passion often stifles you and you need to
move about.

Well

I was told that boys need girls and girls need boys

You say that's not true.

You would rather fool around than to be alone with me

Well that's alright for you.

'cause you've got love

love

love on your side

Yes

you've got love

love

love on your side

Yes

you've got love

love

love on your side

Yes

you've got love. love. love on your side.

I brought you sentimental roses

but you gave them all away.

I played you all my favourite records

Then we spent the night in talking

talking all the time

You sent me home.

I was so surprised to find that after all it doesn't hurt to
be alone.

'cause you've got love

love

love on your side

...

Well

all the things you say make perfect sense to me

But somehow I'm still unsure

But I catch myself going through the same old

rhapsody

rap boy rap!

Well

I don't understand just what I'm doing to myself

I guess that's nothing new.

'cause when you meet someone who doesn't follow all
the rules

It changes ev'rything you do.

'cause you've got love

love

love on your side

...

Yes

you've got love

love

love on your side

...
