

Thompson Twins "Nothing in Common"

Visit "[Nothing in Common](#)" on MotoLyrics.com

Ooh, you need
a helping hand
Of all the people
in the world
I hoped you'd understand

You and me
have grown so far apart
Don't show me
faded photographs
Just tell it from the heart

(chorus)
After all that
we've been through
Don't you know
I feel for you?
We've got nothing in common
so much to lose
Yeah yeah yeah

You say that boys
must never cry
If we keep our
feelings to ourselves
we'll be boys until we die
(di-di-di-di-di-die)
Ooh yeah
Inside this velvet glove
there's always been
an iron fist
destroying all we love

(chorus)

Oh, now there were times
I wanted to
shake you, break you
bring you to your knees
Oh, now there were times
I wanted to
touch you, hold you

help me, help me please

(instrumental)

Woh o-woh

Such a crying shame

You know I loved you then

you know I love you now

And nothing else has changed

(chorus 3x to fade)
