I was dancing in heaven, you were keeping time  
Then I read your letter, sent shivers down my spine  
Said our love was over and I was not the one  
If it lasts forever, forever wouldn't be much fun

Who can stop the rain?  
Who can stop the rain from falling?  
Who can stop this pain  
That's drowning me?

I could hear the sound of laughter, I thought that love  
was in the air  
I was drowning in that golden age, you really seemed  
to care  
I'm haunted by a dream of giant human beings  
I wait alone for hours, love is never what it seems

Who can stop the rain?  
Who can stop the rain from falling?  
Who can stop this pain  
That's drowning me? Oh, oh oh

Who can stop the rain?  
Who can stop the rain from falling?  
Who can stop this pain  
That's drowning me? Oh, oh oh

You always had fantastic plans that I always knew  
And now you want to leave me out, so it's raining just  
for you  
Those changes that you wanted make you ten feet tall  
I tried to move those mountains but mountains never  
move at all

Who can stop the rain?  
Who can stop the rain from falling?  
Who can stop this pain  
That's drowning me? Oh, oh oh

Who can stop the rain?  
Who can stop the rain from falling?  
Who can stop this pain

That's drowning me? Oh, oh oh

Who can stop the rain?  
Who can stop the rain from falling?  
Who can stop this pain  
That's drowning me? Oh, oh oh

Who can stop the rain?  
Who can stop the rain from falling?  
Who can stop this pain
