Take my hand
Rob me for a while of my sight
Don't let me stand
Here underneath the red light
Oh touch my face
Feel the fascination as love grows
Your embrace
Eases the pain that only Tokyo knows
(bridge1)
WHERE WERE YOU WHEN I WAS COLD
AND ALL THE WORLD WAS OUT TO GET ME
(chorus)
TOKYO
WHY CAN'T I EVER SAY NO
TOKYO
Sense the chill
Of silent nights on my skin
Feel the thrill
As these four walls just cave in
Taste the rain
Splashes down on my roof
Seek in vain
For you will never know the real truth
(bridge2)
THIS HUMAN HEART BEATS MUCH TOO FAST
FOR COMFORT OR FOR LOVE IN TOKYO
(REPEAT CHORUS)
Elvis Presley
Me and Yoko
Keo Plazo
Pepsi Cola
Wax Tempura
Yamamoto
Sayonara
(REPEAT BRIDGE1)
(REPEAT CHORUS X 7)
