You with the sad eyes

Don't be discouraged, though I realise

It's hard to take courage

in a world, full of people, you can lose sight of it all

And the darkness inside you

will make you feel so small

(Chorus)

But I see your true colours, shining through

I see your true colours, and that's why I love you

So don't be afraid, to let them show

Your true colours, true colours

Are beautiful, like a rainbow

Show me a smile, don't be unhappy

I can't remember when I last saw you laughing

If this world makes you crazy and

you've taken all you can bear

You call me up- because you know I'll be there

(Chorus x1)

I can remember when I last saw you laughing

If this world makes you crazy

and you take in all you can bare

You call me up- because you know I'll be there  
And I see your true colours, shining through  
I see your true colours and thats why I love you  
So don't be afraid to let them show  
Your true colours, true colours,  
True colours, are shining through  
I see your true colours and that's why I love you  
So don't be afraid to let them show  
Your true colours, true colours  
Are beautiful, like a rainbow
