Ooh! Workin it out! La la la la la la!  
Working it out!  
We need a good lyric here!

The last thing I need to hear today is a melody!  
La la la la la la!  
I'm findin out that no body gives you there songs for  
free.  
He wants one thing, he wants another, I just wanna run  
and take cover!  
I need a little more time, JUST FOR ME!

Can't you see I'm working it out!  
Workin it out!  
That's what I'm tryin to do!  
Workin it out!  
Ooh dance for me baby!  
For Leon,  
For me and you!  
WORKING IT OUT!  
It should be Eassssy to do!  
You never had to work it out!  
Work it out!  
Work it out for two!

Look at the way he works what would he know of a  
broken heart?  
To him broken heart is a phrase I should write for his g-  
d damn middle part!  
He's askin me for words that are clever!  
Leon and me we had 5 years together!  
I need a little more time just for me!

Can't you see I'm working it out!  
Workin it out!  
That's what I'm tryin to do!  
Workin it out!  
Ooh dance for me baby!  
For Leon,  
For me and you!  
WORKING IT OUT!

It should be Eassssy to do!  
You never had to work it out!  
Work it out!  
Work it out for two!

Here's where my boys come in!  
La la la la la la  
Gotta find a lyric!  
Gotta give him something!  
La la la la la la la  
He took my lyric,  
Kept my title!  
Threw out every word!  
He made a crazy disco thing,  
It's not at all the song i heard!

But, maybe his way's better.  
Who knows, I'm too unclear.  
Right now my mind is such a mess, I hardly know I'm  
here!

Dont 'cha know that I'm working it out.  
Workin it out!  
(Fades out
