#### Verse 1

Hey DJ let it play all day  
Turn it up really loud keep the faith no doubt  
Dont you worry dont you fret  
Theres a blessing youre next  
Hes faithful dont forget it  
40 spins now just check it  
Lean

Trials they just a keep a pressin me  
Dancin although the world is stressin me  
Ill keep movin on wont let it get me down  
People they always try to front on me  
I refuse to let it get the best of me  
DJ play my song we gone rock it all night long

#### Chorus

Im not worried about a thang  
Hes gone handle everything  
Im not worried about a thang  
Hes gone handle it take care of it  
I aint worried about a thang

#### Verse 2

Time to get paid got it made in the shade  
Tonx (discernment download) representin all day  
BET, MTV in heavy rotation  
Every station got it blazin its ok now  
Just praise Him in advance

Lean
