Verse 1

I cant believe media; they all find it entertaining
Thats a great idea; planting seeds in the next kids
brain and
Its an exploitation and were making light of travesty
God, help our nationits teenage insanity

Lean

Columbine: can someone tell me whats up with this?
Santee High, Granite Hills not far behind cuz
In this present time and day theres got to be a better
way
Theres gotta be a better way, yeah!

Chorus

I need Jah
They need Jah
We need Jah
We need some help!

Verse 2

See my greatest fear has turned into reality
Never in a million years
Did I ever think it would come this close to me
Look at all these bodies blood dripping from their
young hair
As the world keeps turning; God it seems like no one
cares

Lean

Chorus
