"Make Me Over"

Visit "[Make Me Over](#)" on MotoLyrics.com

You know my other side
I can no longer hide
Let you down so many times
Sin freshly crucifies

Thought that I had a plan
had it all figured out
but the more that you tried to be by my side
the more I put you out

Lord make me over (repeat x 3)

Make me over again (repeat x 4) between this some
one says "Is that anybody's prayer tonight"

Time after the time I failed you
Pierced your side when they already nailed you
Jesus heal my open wounds
I just want to be more like you

Father I let you down
what's not like you just take it out
Reconcile me Jesus, I just want to please you
wash me and make me whole (hold)

Lord make me over (repeat x 3)

Make me over again (repeat x 4)

Make me over again Lord
cause I'm tired of my evil ways
and I want to make a change make me over Lord
