On a cloudy Thursday  
Just expected rain  
Waiting for my taxi at a quarter to three  
If we were so naughty  
We could be happy  
But now I'm  
Waiting for my taxi at a quarter to three  
On a cloudy Thursday  
Just expected rain  
Waiting for my taxi at a quarter to three  
If we were so naughty  
We could be happy  
But now I'm  
Waiting for my taxi at a quarter to three  
On a cloudy Thursday  
Waiting for  
My taxi  
Waiting for my taxi  
On a cloudy  
Thursday  
La la la la la la  
La la la la la  
La la la la la la  
La la la la la
