Slowly growing older
and I've said it all before
but I could need someone to talk to

The sun still rises,
but things are not quite like they seem
I can't control myself
awake or in my dream

Going down that lonely road
I wish I was going home
I would do it all again
if I just could be someone
It's been like this for ages
Cannot hear a word they say
Crying on a sunny day

I could need a shelter
a place where I can hide
a bad wind is blowing
and I'm getting colder

There's no one on my doorstep
and no one asks for more
I'll walk alone
like many times before

Going down that lonely road
I wish I was going home
I would do it all again
if I just could be someone
It's been like this for ages
Cannot hear a word they say
Crying on a sunny day

Going down that lonely road
I wish I was going home
I would do it all again
if I just could be someone
It's been like this for ages
Cannot hear a word they say

Crying on a sunny day

Going down that lonely road
I wish I was going home
I would do it all again
if I just could be someone
It's been like this for ages
Cannot hear a word they say
Crying on a sunny day
