Are you aware of what you make me feel, baby
Right now I feel invisible to you, like I'm not real
Didn't you feel me lock my arms around you
Why'd you turn away?
Here's what I have to say
I was left to cry there, waiting outside there
Burning with a lost stare
That's when I decided

[chorus]

Why should I care
'Cuz you weren't there when I was scared
I was so alone
You, you need to listen
I'm starting to trip, I'm losing my grip
And I'm in this thing alone

Am I just some chick you place beside you to take
somebody's place
When you turn around can you recognize my face
You used to love me, you used to hug me
But that wasn't the case
Everything wasn't okay
I was left to cry there, waiting outside there
Burning with a lost stare
That's when I decided

[chorus]

Crying out loud
I'm crying out loud
Crying out loud
I'm crying out loud

Open your eyes
Open up wide
Why should I care
'Cuz you weren't there when I was scared
I was so alone

Why should I care

'Cuz you weren't there when I was there
I was so alone
Why should I care
If you don't care then I don't care
We're not going anywhere
[repeat]
