Went back home again
This sucks, gotta pack up and leave again
Say goodbye to all my friends
Can't say when I'll be there again
Its time now, I turn around
Turn my back on everything
Turn my back on everything

[chorus]
Everything's changing when I turn around
I'm out of my control
I'm a mobile
Everything's changing when I turn around
I'm out of my control
I'm a mobile

Start back at this life
Stretch myself back into the light
I'm waking up to say I've tried
Instead of waking up to another TV Guide
Its time now, I turn around
Turn and walk on this crazy ground

[chorus]
Everything's changing when I turn around
I'm out of my control
I'm a mobile
Everything's changing out of what I know
Everywhere I go
I'm a mobile

I'm a mobile
Hanging from the ceiling
Life's a mobile
Spinning 'round with mixed feelings
Crazy and wild
Sometimes I wanna scream out loud

Everything's changing everywhere I go
I'm out of my control
Everything's changing everywhere I go

Out of what I know
La la la la la la la la

[chorus]
Everything's changing when I turn around
I'm out of my control
I'm a mobile
Everything's changing out of what I know
Everywhere I go
I'm a mobile

Everywhere I go
I'm a mobile
