Im talking out my hair
Im pulling at my clothes
Im trying to keep my cool
I know it shows
Im staring at my feet
My checks are turning red
Im searching for the words inside my head

[Pre-Chorus]
(Cause) Im feeling nervous
Trying to be so perfect
Cause I know youre worth it
Youre worth it
Yeah

[Chorus]
If I could say what I want to say
Id say what about you
Be with you every night
Am I squeezing you too tight
If I could say what I want to see
I want to see you go down
On one knee
Marry me today
Yes, Im wishing my life away
With these things Ill never say

It dont do me any good
Its just a waste of time
What use is it to you
Whats on my mind
If aint coming out
Were not going anywhere
So why cant I just tell you that I care

[Pre-Chorus]

[Chorus]

Whats wrong with my tongue
These words keep slipping away

I stutter, I stumble off
Like I've got nothing to say

[Pre-Chorus]

Yes I'm wishing my life away with these things I'll never
say
If I could say what I want to say
I'd say what about you
Be with you every night
Am I squeezing you too tight
If I could say what I want to see
I want to see you go down
On one knee
Marry me today
Yes, I'm wishing my life away
With these things I'll never say These things I'll never
say
