Warten ... suchen ...

In the storm of time
Iâ´m helpless like a child,
circling pieces of memory
made me to weak to smile.

Forgotten hopes are bleeding
In my dispairing mind,
Iâ´m laying here and waiting
At this cold glowing time.
I canâ´t find the reason
the reason for the pain,
Searching for the answer
to the unique question again.
Searching for the answer however I can guess
The hidden fear deep inside of it â€¦

Worauf soll ich jetzt noch warten -
Wenn der Sinn schon lange ertrunken war,
und - wie lange muss ich jetzt noch warten
bis mir alles genommen wurde was ich liebte ?
