I won't maintain, insane, get it up  
You always play the blame game, no shame, had  
enough  
I don't wanna maintain, insane, get it up  
You always play the blame game, no shame, had  
enough

{VERSE 1}

Fresher,  
Like it's the 1st semester  
Rock it like Queen when I'm under pressure  
While the rest of these cats, all siesta  
I get loose like change when it's on your dresser  
BOOM  
Here comes the real volume  
Loud enough to wake up and shake this tomb  
I connect like skate decks in concrete rooms  
You're about to face what makes this move

{Pre-Chorus}

People used to tell me that I'm on my own  
They said I'd never make a difference on this  
microphone  
Cause there's a million other people who could sing  
this song  
I said "Well, Thanks for the push" cause you all were  
wrong

{Chorus}

You wanna try to take me under  
I'll never bow till I'm six feet under  
Listen to the sound of rolling thunder  
You can't break me  
You'll never take me down

{VERSE 2}

Explosion  
Dig it like rust corrosion  
When it goes in gush like a busted nose and  
Competitors  
I was born to set it off  
They wrapped me in cloth

I grabbed a mic and went on tour  
Smash it  
Back in school I was a hazard  
Cause I never saw the grass  
Never just looked past it  
Had a passion that burned like battery acid  
Peter Parker, bit by some radioactive  
(Shake this place in)

{Pre-Chorus}

People used to tell me that I'm on my own  
They said I'd never make a difference on this  
microphone  
Cause there's a million other people who could sing  
this song  
I said "Well, Thanks for the push" cause you all were  
wrong

{Chorus}

You wanna try to take me under  
I'll never bow till I'm six feet under  
Listen to the sound of rolling thunder  
You can't break me  
You'll never take me down

{BRIDGE}

If you wanna rise up start with me  
If you wanna stand up here's one for free  
If you wanna rise up start with me  
If you wanna stand up here's one for free  
If you wanna rise up start with me  
If you wanna stand up here's one for free  
(Feel the movement, feel the pressure)  
If you wanna rise up start with me  
If you wanna stand up here's one for free  
(Feel the movement, feel the pressure)  
(Feel the movement, feel the pressure)

{Chorus}

You wanna try to take me under  
I'll never bow till I'm six feet under  
Listen to the sound of rolling thunder  
You can't break me  
You'll never take me down

You wanna try to take me under  
I'll never bow till I'm six feet under  
Listen to the sound of rolling thunder  
You can't break me  
You'll never take me down
