Left] I need a solution  
Right] Any solution  
Left] I'm not sure  
Right] Not sure sometimes  
Left] I'm giving everything  
Right] Everything  
Left] And it just takes  
Right] Just takes

Wanting  
Watching  
Debating  
On which way to run to

Haunted  
Voices  
Craving  
Someone to run to

I haven't lost myself in a long time  
I never tried to care when I wanted to  
I just want to be part of something  
I just want to be real like you

Sometimes I  
Feel like a monster  
And times I  
Feel like a saint  
I'm on my knees  
You're my favorite disease

Left] I just need you back  
Right] Need you back  
Left] Need you back to where I was  
Right] Need you back to where I was  
Left] You can't be that far  
Right] Can't be that far

Silent  
Warnings  
Tell me

That I've let things come undone

Show me  
Teach me  
The way to heaven  
Cause no other way can

I haven't lost myself in long time  
I never tried to care when I wanted to  
I just want to be part of something  
I just want to be real like you

Sometimes I  
Feel like a monster  
And times I  
Feel like a saint  
I'm on my knees  
You're my favorite disease

Closer  
Closer  
Closer to you

I need to be

Closer  
Closer  
Closer to you

Every step I take

Sometimes I  
Feel like a monster  
And times I  
Feel like a saint  
I'm on my knees  
You're my favorite disease

And I love the way you kill me  
Love the way you heal me

Sometimes I  
Feel like a monster  
And times I  
Feel like a saint  
I'm on my knees  
You're my favorite disease

And I love the way you kill me  
Love the way you heal me

I love the way you kill me  
Love the way you heal me

I love the way you kill me  
Love the way you heal me

I love the way you kill me  
Love the way you heal me

I love the way you kill me  
Love the way you heal me
