

Thousand Foot Krutch "Hand Grenade"

Visit "[Hand Grenade](#)" on MotoLyrics.com

I need your breath to stay alive
And make me feel this way
And I need your eyes to look inside
Watch how we collide

One more time around
And I don't think I'll be allowed
It's the time to tell you

Take me, make me, break
Watch me get wicked and drop like a hand grenade
Take me, make me, break
Watch me get wicked and drop like a hand grenade

What's up is comin' down
And I hope no one's around
When it falls

I find it hard to take, sometimes
I feel like I could break
And I hope you hear my prayer tonight
Can you hear my cries?

One more time around
And I don't think I'll be allowed
It's the time to tell you

Take me, make me, break
Watch me get wicked like a hand grenade
Take me, make me, break
Watch me get wicked and drop like a hand grenade

What's up is comin' down
And I hope no one's around
When it falls

What's up is comin' down
And I hope no one's around
[Incomprehensible]

Hey you, tell me what you want me to do
Explode like a hand grenade

Hey man, tell me what you want me to say
I'll drop like a hand grenade, hey

Take me, make me, break
Break me, watch me get wicked like a hand grenade
Take me, make me, break
Watch me get wicked and drop like a hand grenade

(Watch me get wicked and drop like a hand grenade)
Take me, make me, break
(Watch me get wicked and drop like a hand grenade)
(Watch me get wicked and drop like a hand grenade)
Watch me, watch me get wicked like a hand grenade
(Watch me get wicked and drop like a hand grenade)

(Watch me get wicked and drop like a hand grenade)
Take me, make me, break
(Watch me get wicked and drop like a hand grenade)
(Watch me get wicked and drop like a hand grenade)
Wicked and drop like a hand grenade
(Watch me get wicked and drop like a hand grenade)

Watch me get wicked and drop like a hand grenade
Watch me get wicked and drop like a hand grenade
Watch me get wicked and drop like a hand grenade
Watch me get wicked and drop like a hand grenade
(Watch me get wicked and drop like a hand grenades)
