The hurt is washed away
But still here I am
In the middle of it all
With heavy hands
And I try so hard, yeah Just to leave behind me
All the chains that bind me.

Won't back down
Won't turn my head around
Quick take a recess
Oops, take another breath
Guess who, whose you, better take another clue
Find out all about just don't doubt
Just don't doubt

And I won't be lost in
These watered down dreams
So round me you won't be caught up
In the moment of the day, yeah
I won't be lost in
These watered down dreams
So 'round me you won't be caught up
In the moment of the day, yeah, alright

The hurt is washed away
Still here I am
In the middle of it all
With heavy hands
And I try so hard, yeah
Just to leave behind me

All the chains that bind me

Won't back down
Won't turn my head around
Quick take a recess
Oops, take another breath
Guess who, whose you, better take another clue
Find out all about just don't doubt
Just don't doubt, c'mon

And I won't be lost in

These watered down dreams
So round me you won't be caught up
In the moment of the day, yeah
I won't be lost in
These watered down dreams
So 'round me you won't be caught up
In the moment of the day, yeah, alright
