Look, listen to my voice  
If you're making the choice tell all the girls and the  
boys  
Either scream or rejoice let's make that noise  
Either move or we will all be destroyed

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it

Can you hear me?  
Stop, look, listen to my voice  
It was never my choice to feel all alone  
This is my home

Back up, you don't know if you've never been here  
You've never been to the place inside, I face my fears  
It takes everything I am

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it

If you come near me, stop, look, listen to my voice  
If you're making the choice tell all the girls and the  
boys  
Either scream or rejoice let's make that noise  
Either move or we will all be destroyed

Back up and let go if you've never been here  
You've never been to the place inside, I face my fears  
It takes everything I am  
So just move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it

And move if you just feel like breaking it

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it

I come crashing to the floor  
And I know there must be more like me  
I've seen this all before  
I can't carry this anymore, break free

So move, move until the storm is over  
'Cause underneath, there's a diamond passing over  
So breathe, let's leave until the storm is over  
Because I want to take you away

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it

Move and show me what you can do  
When you step into the circle and shake like we do  
And move when you just can't take it  
And move if you just feel like breaking it
