If you like us, calling all riders  
Roll up beside us, no place to hide us  
All freedom fighters, let's unite us  
Switch on you're nitrous and let's go

Destination for navigation  
Man up you're stations, feel the sensation  
Surround invasion with communication  
Move quick, we might avoid contamination

Down, here comes the sound  
Everyone pound you're feet  
To this phenomenon  
Now let's make it loud  
Let me show 'em all how  
You move to this phenomenon

Whoa, open you're soul  
Baby, lose control  
Inside of this phenomenon  
Just let yourself go  
We'll let everyone know  
You moved to this phenomenon

Don't let these spiders crawl up beside us  
They want to bite us, inject the virus  
Raise up you're lighters, praise to the righteous  
Need you to guide us, get prepared to go

If you like us, calling all riders  
Roll up beside us, no place to hide us  
All freedom fighters, let's unite us  
Switch on you're nitrous and let's go

Down, here comes the sound  
Everyone pound you're feet  
To this phenomenon  
Now let's make it loud  
Let me show 'em all how  
You move to this phenomenon

Whoa, open you're soul

Baby, lose control  
Inside of this phenomenon  
Just let yourself go  
We'll let everyone know  
You moved to this phenomenon

Can't take it anymore  
Shaken 'til we move the floor  
What are we waiting for? Let's go  
Tired of being ordinary  
Don't care if there's people starring  
I know you said you'd carry me on

I'm not invisible like you  
Next time things get a little messed up  
I'll shine but I'll never be seen through  
I'm fine just trying to wake the rest up

Down, here comes the sound  
Everyone pound you're feet  
To this phenomenon  
Now let's make it loud  
Let me show 'em all how  
You move to this phenomenon

Whoa, open you're soul  
Baby, lose control  
Inside of this phenomenon  
Just let yourself go  
We'll let everyone know  
You moved to this phenomenon

You moved to this phenomenon  
You moved to this phenomenon
