Vs 1/

I can't erase it anymore,
It follows me everywhere I go,
It's like a mask that I don't,
Want to wear, anymore/

I think I've found a way to let it go,
But it's still too soon to know for sure,
I'd give everything I am,
To just feel somethin'/

Pre/

Can you feel that?(whisper)

Chorus/

Scream! When the pressure breaks me,
When it's too hard to see,
When I feel like I'm,
At the end of my rope,
One more time/
Scream! When the fire burns me,
When it's hard to break free,
When I feel like I'm.
Standin' on the edge,
Of it all this time/

Vs 2/

I can't suppress it anymore,
Here it comes like a flood,
Just like before,
When it rains, it pours,
And I don't, want to swim,
Anymore/

I think I've found a way to let it go,
I don't know,
I've never felt this way before,
But with everything I am,
I, just, let, go.../

Pre/

Can ya feel that? And.../

Chorus/
Scream! When the pressure breaks me,
When it's too hard to see,
When I feel like I'm,
At the end of my rope,
One more time/
Scream! When the fire burns me,
When it's hard to break free,
When I feel like I'm.
Standin' on the edge,
Of it all this time/

Bridge/
I wanna scream...
I just wanna scream.../

It's not a joke,
I've felt as messed up as you do,
I've felt the feelings you've been feeling,
Been through the same things,
You've been through/
And I know how hard it is,
To feel like you're all alone,
We've all been given a second chance,
But the choice is all our own,
(It was right in front of me...)

Chorus/
Scream! When the pressure breaks me,
When it's too hard to see,
When I feel like I'm,
At the end of my rope,
One more time/
Scream! When the fire burns me,
When it's hard to break free,
When I feel like I'm.
Standin' on the edge,
Of it all this time/
