It's just the state of affection  
Just need somethin' to cure the infection  
I don't wanna be your misconception no, no  
Don't wanna break the connection

It's just the pent up aggression  
That drives me into this direction  
If I had to ask just one question:  
Oh no, how come they don't listen?

Bridge:  
I don't wanna slip, I don't wanna fall  
I don't wanna care or be here at all  
I don't wanna crash, I don't wanna burn  
I don't wanna forget

Chorus:  
I'm a stranger that no one can see  
A stranger to every part of me  
I'm a stranger to all that I know  
A stranger everywhere I go

Sometimes I don't hate but I want to  
Blinded by the reason I found you  
It's just a feeling I get when I'm around you  
Oh, oh, can you relate to what I'm goin through?

How much farther will I get?

Man I feel like such a moving target  
How many times will I slip before I find it?  
Until then I guess I'll just keep climbin'

Bridge:  
I don't wanna slip, I don't wanna fall  
I don't wanna care or be here at all  
I don't wanna crash, I don't wanna burn  
I don't wanna forget

Chorus:  
I'm a stranger that no one can see  
A stranger to every part of me

I'm a stranger to all that I know  
A stranger everywhere I go

It's so hard when you're a loser  
Heaven help us find our way  
And it's so hard 'cause I'm a loser  
Heaven help me feel okay

Chorus:

I'm a stranger that no one can see  
A stranger to every part of me  
I'm a stranger to all that I know  
A stranger everywhere I go

I'm a stranger to all that I know  
A stranger everywhere I go
