I don't know, I don't know
I don't know anymore
Thought I had, thought I had
it under control
Hear my voice, here it goes
Hear it louder than most
Here it goes, hear it
One, Two, Three, Four!

CHORUS

It's not worth it, it's not working
You wanted it to be picture perfect
It's not over, you don't have to
throw it away... So...
Scream, if you want to
Shout, if you need
Just let it go... (Take it out on me)
Fight if you need to
Smash, if it helps you
Get control, (Take it out on me)
Scream, if you want to
Shout, if you need
Just let it go... (Take it out on me)
Fight if you need to
Smash, if it helps you
Get control

Ya try to move, try to move
Try, but don't wanna lose
You're so afraid, so afraid
You don't want it to fade
Hear my voice, here it goes
Hear it louder than most
Let it go, let it
One, Two, Three, Four!

CHORUS

One, Two, Three, Four!

CHORUS
