Vs 1/

Don't lie to me,  
I've seen everything I need,  
And I've heard all the requests,  
Like a symphony of thieves/

Don't cry for me,  
I don't need your sympathy,  
I've got everything I need,  
Right here inside of me/

Pre Ch/

And I know it's not that simple,  
But I think I'll get it right,  
'Cause no one else is listening tonight/

Chorus/

I know you're out there,  
And I know you care,  
'Cause I feel you,  
Like an angel,  
Watching over me/

Vs 2/

Don't shut me out,  
I'm an arson to myself,  
Who can't put out the fire(s),  
Until there's nothing left/

So take my broken glass,  
And help me make a window,  
So I can see your face,  
After all that I have been through/

Pre Ch/

And I know it's not that simple,  
But I think I'll get it right,  
'Cause no one else is listening tonight/

Chorus/

I know you're out there,

And I know you care,  
Â'Cause I feel you,  
Like an angel,  
Watching over me/
