"Before I Go"

life hurts so bad
don't want you sad
just look back to good times we had
i'd give my soul for you i know
want to hold you before i go
chorus:
before i go
i need you to know
i'm still alive in you
it's my time to go
don't stay up late
i'm not afraid
and i don't want your heart to break
i know i've seen whats been unseen
live fast, die young
it's part of me
chorus
(its my time now)
before i go
(it's my time now)
my soul is on it's way

(it's my time to go)

i need you to know before i go
