Don't wanna think about it anymore
Lying curled and naked on the floor
And I don't wanna hear those words you say
What were they anyway
Oh Oh Here I go
So here I go
So here I go Oh Geronimo
Don't wanna get up outta bed today
It seems much harder then it was yesterday
And I don't wanna hear those words you say
What were they anyway
What were they anyway
Oh Oh Here I go
So here I go
So here I go Oh Geronimo
Oh Oh Oh
So here I go
So here I go
So here I go Geronimo
Geronimo
Let's leave today and forget everything

Can't really take this place

So what you say

Lets leave it all behind

And don't look back

We won't rewind this time

Let's get away

Oh Oh Here I go

So here I go

So here I go Oh Geronimo

Oh Oh Oh

So here I go

So here I go

So here I go

So here I go Geronimo
