Am I the only one that feels alone

Though, all is home

Emotions flow

Am I the only one that hears the tears run down my
face

Would anybody recognize at all

Cause I know I'm so slow

But I'm trying

And I'm still dying to know

Say you wont leave for the rest of my

Life's the only thing that deals the pain

Like pouring rain

now breeding hate

And I don't wanna do no wrong

My god it's been so long

Please comfort me

Before I go insane

Cause I know I'm so slow

But I'm trying

And I'm still dying to know

Say you won't leave for the rest of my life

I know I'm so slow

But I'm trying

And I'm still dying to know

Say you won't leave for the rest of my life

The rest of my life

She said I'm so slow

But I'm trying

And I'm still dying to know

Say you wont leave for the rest of my

I cant have you leave for the rest of my

Say you won't leave for the rest of my life
