ITS CALLED SORRY NOT SLEAZY WHORE

Afraid it comes to this

I really must admit

your tits, your eyes, your lips are staring at me

I'm drooling at the chin and I need to be within her skin

I want to sin

She stops me and she says

Slow down boy I'm not easy

don't wanna be a sleazy whore

So I've thrown her to the door

upon that fine butt cheek

and I'm not sorry

no I'm not sorry

and girl you look so good

I really think we should

your hood, with me, I would, so lets get started

I know I can't resist, while I reach over for a kiss

I miss, she ducks, I wish, she gets up and she says

Slow down boy I'm not easy

don't wanna be a sleazy whore

So I've shown her to the door

and made a god damn scene
and i'm not sorry
no i'm not sorry
and then she walks in front of me
and it was very plain to see
she had this gleaming in her eye
told me she's down for the crime
told me she's through with other boys
as she screamed and begged for more
yeah...
and she said I'm not sorry
oh and she said I'm not sorry
yea she said I'm not sorry
yea she said I'm not sorry
no I'm not sorry
